LINE 2 — AI-POWERED CHATBOTS

We automate customer service with intelligent bots for WhatsApp, Instagram and your website. Levels range from simple responses to omnichannel ecosystems with integrated CRM and automated sales funnels.

Unlike website plans, chatbots are priced in ranges depending on flow complexity, number of integrations, and configuration volume required.

LEVEL 1

Basic Response Bot

**\$300.000 –
\$500.000**

Canales: WhatsApp or Instagram

Entrega: 3 business days

Option menus with predefined replies. Ideal for automatically answering FAQs (hours, prices, location).

- ✓ Numbered option menu (1, 2, 3...)
- ✓ Predefined replies to FAQs
- ✓ Available 24/7 without human intervention
- ✓ Setup and delivery in 3 business days

LEVEL 2

Customer Service Bot

**\$500.000 –
\$800.000**

Canales: WhatsApp + Instagram

Entrega: To be defined by flow

More complete flows with client data capture, simulated scheduling, and business-hours detection. No AI, but highly effective.

- ✓ Everything in Level 1
- ✓ Captures client name, phone and email
- ✓ Appointment booking simulation
- ✓ Automatic out-of-hours message
- ✓ Transfer to human agent when needed

LEVEL 3

Intelligent AI Bot

**\$1.000.000 –
\$2.500.000**

Canales: WhatsApp + Instagram + Web

Entrega: To be defined by integration

The bot understands natural language thanks to AI (Claude / ChatGPT). Clients can write naturally and get correct, contextual responses.

- ✓ Everything in Level 2
- ✓ Natural language understanding (no rigid menus)
- ✓ Contextual and personalized replies
- ✓ Trained on business-specific information
- ✓ Integration with AI API (Claude or GPT-4)

LEVEL 4

Automated Sales Bot

**\$2.000.000 –
\$4.000.000**

Canales: WhatsApp + Instagram + Web

Entrega: To be defined by integration

The bot doesn't just inform—it sells. Captures orders, shipping data, and payment instructions automatically. Ideal for online stores.

- ✓ Everything in Level 3
- ✓ Conversational shopping cart
- ✓ Captures shipping and payment data
- ✓ Automatic order confirmation
- ✓ Notifications to the business owner

LEVEL 5

Omnichannel Bot + CRM

\$5,000,000 and above

Canales: WhatsApp + Instagram + Web

Entrega: To be defined (custom project)

Complete ecosystem with integrated CRM, client history, automated sales funnels, and reporting dashboard. Ideal for growing mid-size companies.

- ✓ Everything in Level 4
- ✓ WhatsApp + Instagram + Web chat unified
- ✓ Integrated CRM with per-client history
- ✓ Automated sales funnels
- ✓ Reports and analytics dashboard
- ✓ Support for coordinated sales team

LINE 3 — ADDITIONAL SERVICES

We complement our plans with services that boost digital presence, automate internal processes, and open new revenue streams.

1. Professional Photo Session

Setup/único: \$250.000 – \$500.000 | *Mensual:* N/A

- ✓ Basic Plan (\$250K): up to 20 edited photos, 1–2 hr session at the premises
- ✓ Complete Plan (\$500K): up to 50 photos + 1 reels-style video (30–60 sec)
- ✓ Delivery in 3–5 business days via Google Drive or WhatsApp

Impacto en el negocio

93% of consumers say visual quality influences their purchase decision. Professional photos increase perceived value and improve website conversion rates.

2. Customer & Sales Database

Setup/único: From \$600,000 | *Mensual:* \$150,000/mo

- ✓ Database in Google Sheets or Notion (no costly infrastructure)
- ✓ Metrics dashboard: sales by day/week/month, top-selling product
- ✓ Client segmentation by purchase frequency and average ticket
- ✓ Usage training included (1-hour session)

Impacto en el negocio

Businesses that measure their sales grow up to 3x faster. This service turns scattered data into actionable intelligence.

3. Meta Ads Ecosystem

Setup/único: \$800,000 (setup) | *Mensual:* \$500,000/mo + ad spend

- ✓ Initial setup: diagnosis, Meta pixel, Business Manager, target audiences
- ✓ Design of up to 3 creatives for the initial campaign
- ✓ Monthly management: weekly optimization + A/B tests + ROAS report

Impacto en el negocio

Meta Ads allows reaching hyper-targeted potential clients by location and interests. A local business can multiply its sales with ad budgets starting at \$200,000/month when campaigns are well structured.

4. AI Phone Answering Bot

Setup/único: From \$1,200,000 | *Mensual:* \$250,000/mo

- ✓ Automatic answering with natural voice (Text to Speech)
- ✓ Voice option menu or AI intent detection
- ✓ Voice appointment booking with WhatsApp confirmation
- ✓ Operational 24/7 — never miss a call
- ✓ Up to 500 call minutes included per month

Impacto en el negocio

An estimated 62% of calls to small businesses go unanswered. Each missed call is a potential customer going to the competition. A voice bot eliminates that client loss.

5. Automated Email Follow-up

Setup/único: \$500,000 (setup) | *Mensual:* \$200,000/mo

- ✓ Up to 5 sequential automated emails (welcome, follow-up, re-engagement)
- ✓ Integration with website form or client database
- ✓ Up to 2 monthly campaigns (newsletters, promotions)
- ✓ Monthly report: open rate, clicks, conversions

Impacto en el negocio

Email marketing has an average return of \$42 per \$1 invested (DMA, 2023). Keeping clients in their inbox strengthens retention and re-engages inactive customers.
